There are different ways to delete data in LUCY:

- Within a campaign, all data can be deleted irrevocably with one click using "Reset Stats".

- By removing a recipient group within the campaign, all data for this group is irrevocably deleted.

- Deleting a campaign irrevocably deletes all data for this campaign.

- All settings are irrevocably deleted by the factory reset.

Advanced Settings

		Factory Reset
Date & Time	17.04.2019 12:49	
Time Zone	Zurich - UTC+01:00	
Date Format	17.04.2019	
	☐ Use Proxy ❓
