## Support

All support activities related to software bugs are free of charge. The hourly price for support services is \$90. Support bills will be created monthly or yearly. All invoices issued hereunder are due and payable within thirty (30) days of the invoice date. Other exceptions: If a WIKI article is not clearly formulated or is outdated, the customer will not be charged for the resulting questions. All other issues will be charged once the support budget included in the according license model is used up. Please ensure that the LUCY software is always up to date with the latest patch before contacting our customer service. Having said all that, the LUCY team aims to be helpful and accommodating at all times, and will do its absolute best to assist the client wherever possible. Examples of issues that are not considered LUCY bugs:

- Application or system problems caused by changing anything within the Linux operating system on which LUCY runs.
- Third party SPAM filters blocking mails from LUCY.
- External Mail relays that do not work as expected.
- Proxy settings preventing LUCY to receive updates
- DNS configuration issues caused by DNS entries not made by LUCY.

## Applicable law and dispute resolution

This contract shall be governed by Swiss law. Any dispute arising out of or in connection with this contract shall be brought before the competent courts in Zurich. Place of jurisdiction shall be Zurich. Any pre-printed terms and conditions of Lucy Security AG shall be excluded in their entirety and shall not become part of this contract, unless and to the extent that the client has explicitly accepted in writing such general terms and conditions.
